CORAM : R.M.S.KHANDEPARKAR, J

DATED : 13TH SEPTEMBER, 2007

P.C.

1. The order dated 3rd November, 2004 passed in Writ Petition No.8947 of 2004 apparently discloses that the same was passed after hearing the parties. In case there is any subsequent change in the circumstances which could justify modification of the order, request in that regard can be looked into. However, only ground on which the present application has been filed relates to the principle of parity. In that case, the question of modification of the order would not arise. Rather, it may be a case for

expeditious disposal of the writ petition itself. Liberty to the parties to move for the same before the Bench dealing with the matter.

2. The application with the above observations is disposed of.
